PCR, Inc. has begun assisting Owens Products, Inc., in the Documentation/implementation process of ISO 9001:2008. We are assisting them from start to finish and are looking forward to a successful registration.

Based on the efforts being put forth by Owens Products, we at PCR feel that, bearing any unforeseen circumstances Owens Products will be ISO 9001:2008 compliant by the end of June, 2011. Registration to ISO 9001:2008 is speculated for sometime in December 2011.
